14. **Syllabus**:

- Examinations in **BCCAT-2023** will be subject specific.

- The syllabus of the Admission Test for each subject will have parity with 10+2 level syllabus of the subject concerned. For instance, a candidate applying for the subject history shall have to take the Admission Test in History itself. The same is true for all subjects except students applying for Botany, Zoology and Physiology.

- The candidates applying for Botany, Zoology and Physiology should consult the syllabus of Biological Sciences at the 10+2 level. They have to take a common admission test on Biological Sciences which will allow them to be eligible for admission in Botany/Zoology/Physiology.

- For each subject, 90% of the questions will be set from the subject itself and 10% from general awareness.

15. If any information like name, father's name, mother's name, gender, category and date of birth given in the application **needs to be corrected**, the rectification may be done by the candidate only within the **correction period**. **(See TIMELINE in Page 2)**
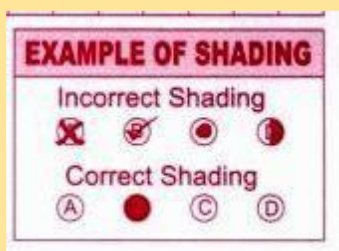

16. **A candidate can apply for a maximum of 3 (three) subjects.**

17. **Pattern of Question Papers**

In every subject concerned, there will be **Multiple Choice Questions (MCQ)** with four answer options. There will be **50 (fifty)** questions in each subject with **full marks 100** and the duration of test will be **60 (sixty)** minutes.

18. **Mode of answering questions**

- Questions are to be answered on specially designed Optical Machine-readable Response **(OMR)** sheet.

- Candidates will respond to the questions by darkening **the appropriate circle/ bubble completely with black ink ball point pen**.

- See Picture below for Incorrect and Correct method of shading.

19. Scoring Methodology

- All questions will have four answer options.
- Only one option is correct.
- Correct response will yield 2 (two) marks.

20. **Seat Matrix:** Course-wise and Category-wise availability of seats:
